

## COURSEWARE MINIMUM SYSTEM REQUIREMENTS

### Operating System

Operating System	eDL Support Status
Windows 10	Supported
Windows 8.1+	Supported
Windows 7 with SP1	Supported
macOS 10.6+	Supported
Google Chrome OS 26+	Supported
Apple iOS 6+	Supported

### Browser Requirements

Browser	eDL Support Status
Internet Explorer 11+	Supported
Google Chrome 21+	Supported
Apple Safari 5+	Supported
Mozilla Firefox 25+	Supported

*Note: JavaScript must be enabled in the browser to make all features usable. No Browser Plug-ins are required.*

### Network Requirements

It is highly recommended that a broadband connection be used instead of dial up.

Mobile data usage will average 10MB per unit, plus assets required by your institution's learning management system.

For institutions using network monitoring software, eDynamic Learning can provide a whitelist of all external internal links upon request to [support@edynamiclearning.com](mailto:support@edynamiclearning.com).

### Accessibility

- WCAG 2.0 AA accessible

### Notes

1. Some exceptions to the above requirements could arise due to your institution's Learning Management System. Please refer to your LMS System Administrator for more information.
2. Some courses, specifically software training courses, may require third-party software. See the Course Requirements document.

### Mobile Device Requirements

Device	eDL Support Status
iPad®	Supported
