eDynamicLearning
CAREER & ELECTIVE COURSES

## Ready to Plan Your High School Summer School Program?

Make summer school interesting and exciting for students with the freedom to choose unique courses that will keep them engaged in learning all summer long!

With nearly 200 options to choose from, allow students to take courses they may not be able to take during the school year. They can take a semester-based course or a year-long course and complete it over summer break onsite or online!

Purchase before May 31st, 2021 and receive a complimentary virtual professional development training session for up to 25 participants.

* Order must be $2,500 or more to qualify for complimentary professional development.

Interactive Course Catalog
Guide Passion to Purpose

Schools receive extensive teacher resources including:

- Suggested Answer Keys
- Pacing Guide
- Teaching Strategy Guides
- Free Technical Support
- Tutorial videos

Teachers can customize any course easily to incorporate their own lessons and components and also effectively support English Language Learners or students on IEP/504 plans.

eDynamic Learning's comprehensive curriculum includes:

Personal Curriculum Narratives
Engaging curriculum narratives employ backwards design methodology to support best practices on how today's students learn.

Balanced Reading Level
Courses consist of an interesting and balanced reading level. Bold text helps students identify main ideas, keywords, and concepts.

Reflective Discussion Assignments
High-interest discussion questions encourage students to reflect, collaborate, and share learning experiences.

Interactive Features
Flashcards, slideshows, diagrams and other elements engage students with the content and decrease passive learning.

Captivating Course Lab Activities
The principals of Bloom's Taxonomy are applied to labs and activities as students evaluate, create, and analyze.

Formative & Summative Assessments
Courses contain auto-graded unit quizzes, midterm exams, and final exams. Students also have opportunities to "test their knowledge" before quizzes.

Contemporary Graphics
Next generation graphics and thought-provoking instructional design that is expected by today's online student.

Podcast Narrations
Each course unit contains professional audio narrations to provide support for auditory learners. Students can also listen on-the-go to make the most of their time and take learning deeper.

Optional Support Tool Bar
Support students diverse needs with over 90 language translations, text-to-speech read aloud, dictionary tool, screen masking, and more!

Videos
Short videos offer closed captioning and engaging content.

We work with your Learning Management System or we provide one at no cost!

How Our Courses Are Offered

OPTION 1
Courses can be delivered though your school's learning management system. eDynamic Learning courses are 100% compatible with the most popular learning management systems used in K12 education.

OPTION 2
Our courses can be hosted on our robust eDynamic Learning management system. Based on school colors and logo, the learning management system is custom branded for your school.
