

EXCLUSIVE OFFER FOR EXISTING KNOWLEDGE MATTERS SCHOOL PARTNERS

Knowledge Matters is now an eDynamic Learning company and as an existing school partner, this comes with some great benefits for you, your school, and your students! School partners have been asking for years to have access to a comprehensive high school curriculum to support the Virtual Business Simulations. Now you have it!

You can now enroll an unlimited number of students in up to **20 eDynamic Learning** courses for 2nd semester (2021/2022 school year) - **all for only \$900!**

Learn how eDynamic Learning's award-winning comprehensive digital curriculum complements Knowledge Matters Virtual Business simulations to enhance student engagement and elevate the learning experience!

By incorporating eDynamic Learning courses in your classes, you'll eliminate the need for a physical textbook, and reduce hours of planning and grading time! You'll also have access to rich tech insights that can allow you to target intervention and support students on IEP and 504 plans. All courses are fully customizable allowing you to include your own lessons, activities, projects, and/or the Knowledge Matters Simulations!

You'll also receive complimentary support and professional development showing you just how easy it is to enroll your students for 2nd semester!

ACT NOW!

This limited-time offer is only available until January 31st, 2022.

(Offer for existing Knowledge Matters School Partners only)
