

# 2023 Career Compass Awards Overview Packet

# 2023 eDynamic Learning Career Compass Awards

## Thank you for your interest in the eDynamic Learning's Career Compass Awards!

As a teacher founded company, we take great pride in helping schools engage students in the discovery of new and unique career fields through our digital curriculum and simulations. Our mission is clear --to enable schools to give students opportunities to tie their interests and skills to rewarding professions. Discovering one's unique skills, talents, and interests is the path that enables students to find success in school, college, and/or career.

We know that teachers, like you, make the biggest difference in the lives of their students every day, and this is our opportunity to recognize and celebrate your success.

The eDynamic Learning Career Compass Award honors teachers using eDynamic Learning and/or Knowledge Matters to guide passion to purpose, keep students engaged, and prepare them for their future.

# GENERAL INFORMATION

## ELIGIBILITY

- Please make sure to read through each of the eligibility requirements, criteria, and questions before submitting your application.
- The 2023 eDynamic Learning Career Compass Award is open to any United States certified teacher currently teaching utilizing the eDynamic Learning curriculum and/or simulations in their public, private, virtual, or charter school program.
- Qualifying teachers must service at least eight (8) students in Grades 6-12.
- Please select the category, or categories, that best support the courses you teach. If you teach courses in more than one category, you may apply for up to two (2). \*See the Category Section and the Qualifying Courses taught under each section below to help you in your application process.
- You, as the teacher, must have approval by your school/district to participate in the application/award process.
- Application must be complete to be considered.
- eDynamic Learning employees and their relatives are not eligible to apply.

## HOW IT WORKS

1. Application submission period is between February 1st, 2023 9:00 AM EDT - April 16th, 2023, 11:59 PM EDT.
2. You may apply or nominate a colleague for up to two (2) categories but if you are selected as a finalist, you will be eligible as a finalist for only one (1) category based on the score of your application.
3. Voting by a five (5) member Educator Advisory Panel will take place from April 17th-May 4th, 2023 and will select up to three (3) finalists from each of the above fifteen (15) categories to be shortlisted using the rubric attached in the application. All applicants agree to accept the decision as final.
4. Applicants and finalists will be notified via email on Friday, May 5th, 2023
5. The finalists will be recognized on the eDynamic Learning website and included in a press release on Tuesday, May 9th, 2023.
6. Finalists will all be featured Saturday, May 20th, 2023 at a special virtual Career Compass Award ceremony and one (1) winner from each category will be announced during that live event. All finalists must be available to participate at the hour-long ceremony on Saturday, May 20th, 2023.

\*If no applications were submitted for a particular career category, the category will be eliminated.

## SUBMITTING YOUR ENTRY

- Please make sure you fill out all required fields in the form, including all questions to be eligible for consideration.
- Each response in the questionnaire may not exceed 250 words (approximately 1500 characters).
- Submit the completed application packet electronically through our online form located at: [tinyurl.com/CareerCompassApp](https://tinyurl.com/CareerCompassApp).

\* Any visual evidence you optionally provide cannot include images of students faces or information, personal identifiers, or proprietary information.

## DEADLINE

The application packet must be submitted on, or before, **April 16th, 2023 at 11:59 PM EDT**. The application must include your contact information, the questionnaire, your brief bio, release form and a headshot photo (Headshot photos and short bios will be used to recognize finalists on the eDynamic Learning website.)
