QUESTIONNAIRE

QUESTIONS

1. How are you using eDynamic Learning or Knowledge Matters simulations to help guide students in their career discovery, keep them engaged, and prepare them for their future?
2. Describe the impact your instruction with eDynamic Learning or Knowledge Matters simulations is having on your students. Give 1-2 examples of individual student stories.
3. Describe how eDynamic Learning or Knowledge Matters simulations support your success as a teacher.
4. Describe how and what you measure success for your students utilizing the eDynamic Learning curriculum or Knowledge Matters simulations.
5. ADDITIONAL INFORMATION (OPTIONAL)
What additional information, outside of the scope of the questions, would you like to share to enable us to learn more about your program?

SCORING FOR THE CAREER COMPASS AWARD SUBMISSION

A **scoring rubric** has been designed to provide an overview of how your submissions will be judged. Please remember, we are looking for your creativity in defining your responses! In addition to the questions in the questionnaire, we recommend that you review the rubric to assist you with your responses. The scoring rubric can also be found on the Career Compass Award website.

Scoring (0 to 4 points with 0 indicating lowest score, 4 indicating exemplary score)

0 = Missing response.

4 = Exceeds requirements by providing ample details to description, including but not limited to multiple, comprehensive examples and/or visual representations that support evidence. Examples may also demonstrate creative out-of-the-box thinking while still maintaining the integrity of eDynamic Learning curriculum and/or Knowledge Matters simulation use.

**** Any visual evidence you optionally provide cannot include images of students' faces or information, personal identifiers, or proprietary information.***
